

**CAMBODIA**  
**Ministry of Education, Youth and Sport**

The Ministry of Education, Youth and Sport (MoEYS) of Cambodia will not be able to provide funding to applicants from Cambodia. MoEYS, however, strongly encourages their participation in the calls, provided that the participated institutions provide their personnel efforts in-kind to the projects. As such, other costs such as travel, workshops, consumables and equipment could be supported by the funding agencies from other participating countries, depending upon their national regulations.

Cambodian applicants are advised to check with the national contact point the eligibility as to who may apply and how their participation can be financed before a consortium submits the complete application.

**Eligibility**

Research proposals may be submitted by Cambodia:

- Higher education institutions
- Research institutions
- Universities
- Public/Private legal Research and Development entities

**Funding modalities**

**General Information:**

Funding agencies of project partner might be able to support mobility/travel, accommodation, daily allowances, workshops/meeting, publications, consumables and equipment, provided that Cambodian applicants can provide their personnel costs in-kind. Please check the national regulations of the other funding agencies.

**Personnel costs**

These have to be provided in-kind by the university/research institution. This has to be stated in a Letter of Commitment (LoC) which has to be attached to the application.

**Other costs such as travel, workshops, consumables**

Please check the national regulations of other partners who might be able to support these costs.
