

COUNTRY: INDONESIA
MINISTRY OF RESEARCH, TECHNOLOGY AND HIGHER EDUCATION (MORTHE)

Indonesia applicants are advised to check website <http://simlitabmas.ristekdikti.go.id> to checking JSF EU link. For administrations purpose, Indonesia applicants must be submitted proposals based on the guideline “Panduan XII”.

Eligibility

Research proposals may be submitted by :

- Universities

This call will fund partnerships between JSF EU and Indonesia based researchers working in the area of Bioeconomy and Infectious Diseases of relevance to Indonesia.

For support under this call, applicants must be eligible to apply for funding from their respective country’s funding agency:

- Indonesian PI must have conditions in accordance with the guideline “Panduan XII” which can be downloaded on simlitabmas (link above)
- Applicants must be Indonesian citizens and hold a permanent or fixed-term contract in an eligible university or research institute in Indonesia.
- Contact between the Indonesian PI and JSF EU PI prior to the application is essential. This contact should lead to a clearly defined and mutually beneficial research project proposal.
- Applications only be accepted from Principal Investigators in University. **The Indonesian PI MUST be from Higher Education Institutions/University. Other research Institutions may join the project as Co PI.**
- Applicants must be competent in oral and written English.
- The Indonesian applicant’s employing organisation must be willing to agree to administer the grant.

Further eligibility details can be found in the scheme specific guidance document. Principal Investigators may only submit one application to this scheme as Principal Investigator, but may be involved in more applications if listed as a Co-Investigator.

Ministry Of Research, Technology and Higher Education (MORTHE) will not cover PhD studentships (doctoral programmes) or requests for capital items.

Funding modalities

For researcher funded by the MORTHE, the funding is related to Minister of Finance Regulation (*standard of special cost* and *standard of input cost*)

- **Personnel Costs**

Costs for student research assistants can be covered if their work is clearly related to the research project, by referring to the Regulation of the Minister of Finance of the Republic of Indonesia, specifically the “Standar Biaya Masukan (*Standard of input cost*)”.

- **Mobility of Indonesian and foreign researcher and experts**

For Indonesian researcher to country of research partner :

- Flight to and from destination : economy class flight
- Visa costs
- Transfer to and from the airport
- Daily allowance (the amount depends on the destination, **check standard of input cost**)
- Insurance fees

For Foreign researcher :

Our research grant is restricted with Indonesian Financial regulation that limit the use for Indonesian researcher only.

- **Equipment**

Indonesian grant can not be use for equipment.

- **Scientific events and project meetings in Indonesia or country of research partner**

- Room rent
- Catering
- Other cost necessary for the implementation
- Publications
- Travel costs and accommodation for external experts based on the regulation above
- The costs for the event have to be requested by the project partner in the hosting country
