

COUNTRY: SWEDEN

Swedish Research Council for Sustainable Development- FORMAS

FORMAS participates in the topic area BIOECONOMY

Formas' standard eligibility criteria for research projects apply, please see Formas' general instructions:
<http://www.formas.se/en/Financing/General-instructions>

Applicants from the same grant administrating organisation shall belong to one partner in the consortia.

If Swedish applicants have any questions about their eligibility they are advised to contact Formas to confirm their eligibility for the call before developing the proposal.

Eligibility

Formas' standard eligibility criteria for research projects apply, please see Formas' general instructions:
<http://www.formas.se/en/Financing/General-instructions>

Grants for research projects can only be administered by a Swedish university, university colleges or other Swedish public organizations that fulfils the grant administrating organization eligibility requirements of Formas (please see : <http://www.formas.se/sv/Finansiering/Allmanna-anvisningar/Medelsforvaltare/>). However, grants may be forwarded to participants from Lao PDR, Myanmar and Cambodia to cover travel costs, running costs, and other eligible costs.

Funding modalities

Formas' standard eligibility criteria for research projects apply, please see Formas' general instructions:
<http://www.formas.se/en/Financing/General-instructions>

Swedish applicants may apply for a maximum of 3 million SEK (approx. 300 k€) for participation in a project and a maximum of 4 million SEK (approx. 400 k€) if the applicant also is coordinating the project.

Submission

Granted projects are required to submit an application to Formas' grant application system, Prisma.
