

COUNTRY: INDONESIA
MINISTRY OF RESEARCH AND TECHNOLOGY/ NATIONAL AGENCY FOR RESEARCH AND INNOVATION

Indonesia applicants are advised to check website <http://simlitabmas.ristekdikti.go.id> to checking SEA_EU-JFS Call link. The Indonesian applicant must meet the condition in accordance to simlitabmas guideline XIII edition. For administrations purpose, the selected Indonesian applicant must submit proposal through simlitabmas.

Eligibility

Research proposals must be submitted by:

- University researcher as PI

This call will fund partnerships between SEA_EU – JFS and Indonesia based researchers working in the area of:

- a. Digital Health (incl. Infectious Diseases):
- b. Bioeconomy (Incl. Application of ICT-Based Technologies)

Relevance to Indonesia at 6th JFS Call.

For support under this call, applicants must be eligible to apply for funding from their respective country's funding agency:

- Indonesian Principal Investigators (PI) must have conditions in accordance with the guideline XIII edition, especially in scheme of "Riset Kemitraan" which can be downloaded on simlitabmas (link above)
- Applicants must be Indonesian citizens and hold a permanent or fixed-term contract in an eligible university or research institute in Indonesia
- This commitment Letter must be attached when submitted proposal in simlitabmas for the selected awardee
- Contact between the Indonesia PI and SEA_EU JFS PI prior to the application is essential. This contact should lead to a clearly defined and mutually beneficial research project proposal
- Applications only be accepted from PI in University. The Indonesian PI must be from Higher Education Institution/ University. Other research institutions may join project as Co-PI
- Applicants must be competent in oral and written english.
- The Indonesian applicant's employing organization must be willing to agree to administer the grant.

Further eligibility details can be found in the scheme specific guidance document. PI may only submit one application to this scheme as PI, but may be involved in more applications if listed as a Co- PI.

Ministry of Research and Technology/ National Agency for Research and Innovation (RISTEK/BRIN) will not cover Ph.D studentships (doctoral programmes) or requests for capital items.

Funding modalities

Propose budget submitted must be related to Minister of Finance Regulation, for both Digital Health and Bioeconomy field have maximum budget are IDR 600.000.000 at year, respectively (Standar Biaya Keluaran and Standar Biaya Masukan). The awardee selected proposed funding will be subject to assessment by RISTEK/BRIN reviewer base on Minister of Finance Regulation prevailing.

- **Personnel Costs**
