Sustainable Food Production**

08 September 2021, Wednesday, Bonn & Singapore

Venue: Online, 08:00am CEST / 02:00pm SGT

Meeting Room: ZOOM

GOAL OF MEET MY LAB X JFS

Meet My Lab x JFS is an event in cooperation of EURAXESS ASEAN and the Southeast Asia-Europe Joint Funding Scheme.

To support bilateral research projects between Southeast Asia and Europe, speakers of Meet My Lab x JFS have the opportunity to present their laboratory with special features and possibilities of excellent research. Interested researchers from Southeast Asia and Europe will get insight in selected laboratories from Indonesia, Malaysia, Myanmar and Thailand. Speaker and audience have the opportunity to get in touch each other and extend existing international networks and discuss potential future cooperation especially in the thematic areas of Sustainable Food Production / Climate Change.

In addition Meet My Lab x JFS will provide information about EURAXESS ASEAN and JFS and its 7th Joint Call for Proposals, which is currently open for submission of research proposals.

TARGET GROUP

Researchers and interested companies from Southeast Asia and Europe interested in finding partners for future collaborations.
