

## THAILAND

National Science and Technology Development Agency (NSTDA)  
Program Management Unit for Human Resources & Institutional Development, Research and Innovation (PMU-B)

These regulations apply to Thai applicants for the Southeast Asia – Europe Joint Funding Scheme: 7<sup>th</sup> Call for Proposals.

NSTDA and PMU-B can support projects in the areas of **Sustainable Food Production** and **Climate Change**

### Eligibility

Research proposals may be submitted by researchers from:

- Public research institutions
- Higher education institutions

in the territory of the Kingdom of Thailand.

### Funding modalities

The maximum funding allocated per project is **4,000,000 THB** for the project with the maximum of **three years**. NSTDA and PMU-B will support up to 6 projects. The following costs are eligible:

- **Personnel costs**  
Costs for scientists or student research assistants can be covered for the whole period of the project if their work is clearly related to the research project. Total personnel costs should not exceed 30% of total budget, excluding equipment costs.
- **Mobility of scientists and experts**
  - round-trip economy class tickets to the project partner countries
  - airport transfer costs upon presentation of a receipt
  - visa costs
  - accommodation costs
- **Equipment**  
Equipment cost is allowed on a limited scale. Details and specifications are required to be provided with full justification.
- **Consumables**  
Consumable costs include laboratory chemicals and materials, but does not include office supplies such as paper, stationery, and etc. Consumable costs are to be spent in Thailand.
- **Indirect costs**  
Total indirect costs should not exceed 10% of total budget, excluding equipment costs.

**Note:** After the project get selected from this Joint Research Projects, Thai principal investigators must submit the proposal format in accordance with PMU-B or NSTDA regulation.

## Submission

Proposals are to be submitted through the dedicated **online tool (PT-OUTLINE)**.

Link to the PT-Outline application tool: <https://ptoutline.eu/app/ifs21>

Thai applicants are advised to check with the Thai National Contact Point concerning eligibility before submitting a complete application. Contact details as follows:
