

COUNTRY: CAMBODIA
MINISTRY OF EDUCATION YOUTH AND SPORT (MoEYS)

Participating in the 8th Call JFS 2023, MoEYS is to provide support in terms of “Personnel In Kind”. The Cambodian applicants need to seek and secure the budget from any available funding agency prior to agreeing to join the consortium and submit the proposal. However, if they cannot secure any funding, they can still join the consortium in submitting the proposal, but they should understand that if their proposal is accepted, they can join the project by providing in kind support.

Eligibility

Research Proposals may be submitted by Cambodian (based in Cambodia) coming from:

- Public legal Research and Development entities
- Higher education institutions
- Non-university research establishments

Funding modalities

In case the Cambodian applicants can secure the budget support from any funding agency, they may conform to the funding modalities specified by that agency. However, if nothing specified, they must follow the following modalities:

Mobility:

1 – For Cambodian scientists:

To Europe:

- o Flights at economy class
- o Visa and insurance
- o Transfer to and from airport
- o Living expenses based on the amount of \$200 per day (covering accommodation and subsistence)
- o Travel costs within the country

To another Southeast Asian country:

- o Flights at economy class
- o Visa and insurance
- o Transfer to and from airport
- o Living expenses based on the amount of \$120 per day (covering accommodation and subsistence)
- o Travel costs within the country

Within Cambodia:

- o Travel costs reimbursed at actual cost
- o Accommodation and subsistence at a daily rate of \$70
- o

2 – For Foreign scientists

- o Flights at economy class
- o Visa and insurance
- o Transfer to and from airport
- o Living expenses based on the amount of \$120 per day (covering accommodation and subsistence)
- o Travel costs within the country

Workshops and events in Cambodia:

Necessary costs directly related to the preparation and implementation of workshops are eligible, including:

- venue hire, meals and refreshments
- equipment hire
- stationeries and materials
- printing and dissemination of workshop reports
- costs of invited international experts, consisting of economy class flights, visa, transfer to and from airport, and daily living expenses of \$120

Equipment:

Small equipment costs can be covered if directly required for the project and the need is clearly demonstrated.

Consumables:

Consumables can be covered if directly required for the project and the need is clearly demonstrated.

Personnel costs:

Personnel costs at a maximum of 10 % of the total cost are eligible ONLY for proposals submitted by Higher Education Institutions. These costs are to cover incentives for researchers, research assistants, and administrative staff involved.

Subcontracting costs:

Subcontracting costs are not eligible.

Indirect costs and management costs:

Indirect costs and management costs at a maximum of 5 % of the total cost are eligible ONLY for proposals submitted by Higher Education Institutions. These costs are to support and secure facility, water, electricity, internet, and other administrative necessities.

Submission

No additional submission needed other than to the call secretariat.
