

COUNTRY: TÜRKİYE
The Scientific and Technological Research Council of Türkiye (TÜBİTAK)

TÜBİTAK participates in the following thematic areas of the 2025 JFS Call for Research Proposals (10th Call):

Thematic Areas:

1. New Materials and Green Transition
2. Climate Resilient, Smart Agriculture using AI and IoT

In the frame of this Call, the applicants from Türkiye will be funded through TÜBİTAK 1071-Programme http://www.tubitak.gov.tr/sites/default/files/256_sayili_bk_islenmis_hali-1071-1_0.pdf

Eligibility and funding modalities

Universities, public institutions or organizations, research institutions, training and research hospitals and Turkish industry/private sector are allowed to apply to the call.

Turkish applicants will be funded under the TÜBİTAK 1071 Program in line with the regulations for enhancing participation in international R&D collaborations.

The maximum funding per project for Turkish applicants is **€100,000** (*excl. overhead and Project Incentive Premium (PIP)*), with the following distinctions:

- **Universities, Public Institutions or Organizations, Research Institutions, Training and Research Hospitals:** 100% of eligible costs
- **Large Companies:** Up to 60% of eligible costs
- **SMEs:** Up to 75% of eligible costs

For detailed information on the national regulations of the Call, please visit [here](#).

All Turkish applicants are strongly advised to check national rules before the application. For your questions, please contact Turkish national focal point.

Eligible cost categories

The following cost categories are considered eligible for funding:

1. Personnel Costs
2. Travel and Subsistence Costs
3. Equipment and Material Costs
4. Consultancy and Service Costs
5. Indirect Costs and Overheads
6. Other Costs

Applicants must ensure that all cost categories are in compliance with TÜBİTAK's national funding rules. Detailed budget justifications must be provided for each cost category. The conversion of costs in Turkish Lira to Euro should be based on the exchange rate set by the Central Bank of Türkiye at the time of application submission.

For detailed information on the national regulations of the Call, please visit [here](#).

Submission in addition to PT-Outline submission

Each proponent that requests funding from a JFS funder must carefully read the respective National Regulations and contact the National Focal Point for an informal eligibility pre-check before submission.

Before submission, it is advisable that each partner also reads the National Regulations of the other partners in the consortium, to understand and fit-in to the criteria specified in the partners' National Regulations.

In addition to the submission of the proposal through the dedicated online tool (PT-OUTLINE), Turkish applicants must complete their pre-application and full-application to the national programme via <https://uidb-pbs.tubitak.gov.tr>. All applications should be signed with e-signatures.

Online national pre-application for the Call should be completed by 7 April 2026 (23:59, IST). Deadline for e-signature is 14 April 2026 (23:59, IST).

For the projects selected to be funded after the international evaluation process, Turkish Teams must have full-application. The deadline for the full-application will be announced by TÜBİTAK.
